

Education:

University of Nevada Reno (UNR)
Bachelor of Science, Computer Science and Engineering
08/2012 - 05/2013 and 01/2015 - Present
GPA: 4.0

Truckee Meadows Community College (TMCC)
Associate of Science, Mathematics
08/2009 - 05/2012
GPA: 4.0

Relevant Course Work:

CS105 - Introduction to computing (Dr. Michael Leverington)
CS135 - Introduction to C/C++ (Dr. David Feil-Seifer)
CS202 - Classes and data structures in C++ (Nancy LaTourrette)
CS219 - Computer organization (Dr. Dwight Egbert)
CS302 - Data structures and algorithms in C++ (Dr. Michael Leverington)
CS36 - Mathematics of computer science (Dr. Yaakov Varol)
CPE201 - Fundamentals of computer engineering (Dr. Murat Yuksel)
CISCO120 - Introduction to networking (Dr. Bill Doherty)

(Transcripts available upon request)

Work History:

ASUN Campus Escort
Shuttle Bus Driver (student employee)
University of Nevada Reno (UNR)
05/2015 - Present
Christopher Patridge (Coordinator)
(775) 784-6589

(Detailed work history available upon request)

UNR School of Medicine, Dep. of Pathology
Histopathology Technician (classified employee)
University of Nevada Reno (UNR)
02/2013 - 08/2014
Lynda McLellan (Program Officer)
(775) 784-7034

Personal Projects:

Anti-Frogger (web-based game)
Final project for CS135, produced jointly with classmate (Dalton Navalta)
Javascript
Campus Escort Automated Call System (Windows application)
GUI application created for current employer to interface with automated phone system to reduce call volume
C++ in an integrated development environment (QT)

Self-Guided Learning:

Udemy.com
Cisco networking bootcamp
01/2015 - Present
Lynda.com
Java training tutorials
01/2016 - Present
LaTeX
Text editor for scientists and engineers
01/2016 - Present

Udacity.com
Android development microdegree program
01/2016 - Present
QT
C++ based IDE
11/2015 - Present
